Hello Everyone,

Aug. 23 – Sept. 30th

I am pleased to announce that with another season slowly coming to an end (sadly) that this will be the last Seaside Guide. We say goodbye to the Wedgeport Tuna festival which finished last Sunday, which resulted in a total weight of 3,158 lbs of bluefin tuna landed. In a week's time the Coal Shed Music Festival will be back, bigger and better this year, we also wish them a very successful event.

We at the Yarmouth & Acadian Shores visitor information desk would like to personally thank each and every one of you for making this summer unforgettable. It has been a pleasure working with all of you again this summer and we hope for many more opportunities like this in the years to come. The Yarmouth & Acadian Shores visitor information center will remain open until October. The daily hours of operation are from 9 am to 7 pm. Feel free to contact Rachel Muise at the YAS desk by phoning 742-6639 or contact the Provincial Visitor Information Center by phoning 742-5033.

A reminder that the 2010 Visitor Satisfaction Survey is still up and running and we encourage all visitors to fill it out. Once the survey is filled out, you will be able to download 25 professional photos of the Yarmouth & Acadian Shores region.
