# There's a bit of magic in Yarmouth & Acadian Shores.

This is where the land meets the sea. Where English and Acadian cultures coexist. It's quiet and peaceful, yet full of adventure. And where the darkest skies let the stars shine their brightest. It's where the food is fresh and local, and the music is too. It's where everything comes together. It's where the stars align.

Welcome to Cape Forchu, a Light Like No Other. This spectacular "apple core" lighthouse is the second most photographed lighthouse in Nova Scotia and located just 10 minutes outside the Town of Yarmouth.

The Cape has been welcoming visitors since 1604, when explorer Samuel de Champlain named the area "Cap Fourchu," meaning "forked tongue of land." Towering over the jagged coastline since 1839, the Cape Forchu Light welcomes people to the region and beckons them to shore. With crashing waves and sprawling skies, it's no wonder Cape Forchu was voted one of the best public spaces in Canada.

When visiting be sure to browse the gift shop located inside the former light keeper's dwelling. Take a walk along the Leif Erikson Park & Trail and explore the rugged landscape while taking in breathtaking views, stunning sunsets and spectacular stargazing.

# Leif Erikson Park & Trail

# Lake Milo

During the summer months, Lake Milo is a wonderful location for swimming within the Town of Yarmouth. This free-to-the-public lakefront and park offers canoe and kayak rentals and a Nova Scotia lifeguard supervised swimming area. It's also a great lake for windsurfing, sailing, bass fishing and even dragon boating.

# The Tobeatic Wilderness Area

With dozens of remote lakes, the "Toby" and the adjacent Kejimkujik National Park and National Historic Site together protect 142,000 hectares of mixed woods, barrens and wetlands. It's the wild soul of the Maritimes and the heart of the UNESCO Southwest Nova Biosphere Reserve.

The Tobeatic's interconnected lakes, streams and rivers offer outstanding wilderness canoeing, angling and camping opportunities. This storied region of Nova Scotia is best known for its mainland moose, trout streams and rugged canoe routes through rocky lakes and wild rivers. These routes and portages, first travelled by the Mi'kmag, supported a world-class "sportman's" guiding tradition through the late 19th and early 20th century. They include much of the "Tent Dwellers" canoe route, made famous by Albert Bigelow Paine's 1908 account of back country guiding and sportfishing adventures in this region. Because the region is remote, a licensed quide is recommended

# Kayaking the Tusket Islands

To paddle around the Tusket Islands is to step back in time. This is one of the few places in Nova Scotia where offshore islands are still used as fishing outposts for an active fishing industry. Local farmers also use the islands to graze their sheep. While this area's waters are shallow, with many islands and shoals, the current is extremely strong along this coast. Where it is necessary to cross open water to access the islands, the Tusket Islands are only suitable for advanced kayakers. Nearby, the more sheltered Lobster Bay is great for beginner and novice kayakers.

# Tusket Islands / Lobster Bay Experience July 11-13, 2020 (3-Day Tour) \$595 (CAD) pp plus tax

are primarily used as a base for the lobster fishery.

This one-way tour begins at Comeau's Hill, and ends at The Argyler Lodge, Lower Argyle. Day One: Explore the northern and central islands of the Tusket Islands, including the fishing shanty villages of Deep Cove Island and Harris Island. Our first night concludes with a gourmet, guide-prepared meal on either Deep Cove or Peases Island. Day Two: Tour the western islands of Lobster Bay, the second most island-dense bay in Nova Scotia (at well over 300 islands).

We'll encounter seals, harvesters of knotted wrack, ospreys, eagles and a few other animal species, perhaps even whales. Our goal is to camp on Etoile or Jones Island. Day Three: Venture either deep into Lobster Bay to explore fast-moving tidal waters or (depending on the winds and fog) explore the outer islands with their lighthouses and feral sheep. Our tour ends at The Argyler Lodge.

Experience includes:

- 3-day tour with Candlebox Kayaking's certified, highly-experienced and knowledgeable local guides
- High-quality sea kayaks by Boreal Design, P&H, Seaward & all related kayaking equipment
- Gourmet locally-sourced meals & snacks with menu options chosen by guests
- Interpretation of the natural and cultural history of the areas visited
- Photos and video of your tour
- Camping equipment, including tents, tarps, stoves, fuel, pots, pans, first aid kit, fresh water, plates, utensils (excludes sleeping bags, pads)

# **Sportfishing**

Yarmouth & Acadian Shores abounds with opportunities for anglers of all ages and skill levels. All anglers aged 16 or older must purchase a general fishing license. Licenses can be purchased from many gas retailers, hardware, convenience and sporting goods stores or at any Department of Lands and Forestry district office (novascotia.ca/natr).

# Tusket Island Tours Deep-Sea Fishing Charters

# Deep-Sea Fishing Charter

We offer a deep-sea fishing charter from the Wedgeport wharf (where our large tour boat is located) in our 25' centre console vessel

that we use to catch cod and haddock. This tour is dependent on the tide, so times vary and the trip usually lasts 4.5 hours.

**Cost is \$115 (tax incl.)** per person. A 2-person minimum is required. At the end of the day, we fillet the fish for you so you can take it home and enjoy a delicious fish fry!

For an extra fee of \$115, tax included (total, not per person), we can make a stop on Big Tusket Island and clean and cook your catch of haddock, provided that the facilities are available that day.

(For this tour, the cost is per person and you may be joined by another group if you are part of a small party).

# Shark Fishing Charter

New to our fleet is our 30' offshore striper boat located in Yarmouth Harbour (near Rudder's Restaurant). With this vessel, we offer a shark fishing charter. Participants can chum and hook sharks, reel them in, tag them for DFO science purposes and release them. While chumming for shark, we also bottom fish for cod and haddock that you can also keep (just like on our other charter).

Cost for shark fishing is: \$1200 - Full day (9 hrs) \$800 - Half day (5 hrs) \$1200 - Evening option (6 hrs)

Evening fishes are highly recommended. We typically fish from 5:00pm to 11:00pm but we can alter the times a bit if you so choose. The reason we recommend this package is because once the sun sets the sharks are attracted to the vessel lights. They are often spotted swimming around the boat and the fishing can be much better.

(Costs for shark vessel are for the full vessel & captain. You can bring anywhere from 1-7 people)

# Yarmouth Links

This charming links-style layout offers a panoramic view of the local lighthouse and ocean. Don't underestimate the challenges presented by this apparently open course.

# SET SAIL FOR ADVENTURE

Fun and unique experiences on the sea and land with Tusket Island and Yarmouth Harbour Tours.

**GET READY** for a historical adventure full of rich culture and history. On this 4-hour trip, learn how to haul in a lobster trap and hear first-hand experiences from a lobster fisherman while enjoying live musical entertainment and a stop at our seaside shanty on Big Tusket island! Also, enjoy a taste of our region with our homemade seafood chowder.

**BOOK** your deep-sea bottom-fishing charters with us! Contact us for more information.

A UNIQUE cultural harbour cruise where you embark on a historical adventure of Yarmouth Harbour. On this 2-hour cruise, learn how to haul a lobster trap and see the process that an actual fisherman would go through. Enjoy the leisurely sail back to the Yarmouth dock while listening to live musical entertainment by our crew.

**NEW!** We are now offering offshore shark fishing. Contact us for more details.
